

PiNK Community Group Outline
Extraordinary: She is Rewarded
Week: NINE

WELCOME

Talk about what PINK has meant to you this semester. How has studying Proverbs 31 changed your expectations from what you had been taught? What are some take aways that you have learned personally?

WORSHIP

Read Proverbs 31:30-Charms is deceptive and beauty does not last; but a woman who fears the Lord will be greatly praised. Someone open with a prayer of praise and realize that prayer is an act of showing reverence to The Lord (Ashley talked about being reverent last week).

WORD

Proverbs 31:31-Reward her for all she has done. Let her deeds publicly declare her praise.

1. You can work to change/improve your life. You are not a victim of circumstance-use your gifts and talents to make a difference for yourself and others. Share a life event that has changed you. How did you choose to make a change? How did God use it to bring praise to HIM?
2. Doing hard work will show up in your life, relationships, and life circumstances. Read Colossians 3:23 Why do you think hard work is important and how can it bring praise to The Lord?
3. Staying humble in your success. Talk about being confident in your work/talents but yet showing humility. How do you balance the two? James 4:6 Matthew 23:12

WORKS

Ask the Lord this week to give you opportunity to work hard and when people acknowledge, give God the glory and honor. When you are working hard this week, work as if no one is watching or will notice and check your attitude around that. Commit to Colossians 3:23 this week.
