I AM: Call Him by Name
Week Three: Our Peace

Welcome:

Talk about how long you have been coming to PINK. Who invited you? What has it meant to you?

Worship:

Begin with a "popcorn" type prayer of one word using different names of the Lord (i.e., I am, Provider)

End this time with someone saying a prayer asking the Lord to bring peace to this time.

Word:

Read Luke 2:14 aloud in the group.

This verse is often read during the Christmas season. It is an impactful verse on the amazing power of peace. "peace on those on whom favor rests" -what exactly does that mean?

How can we experience peace during this time in our world where there is so much strife, death, evil, and overall war on mankind?

Read John 16:33

As believers, how we handle circumstances, chaos, and heartbreak is so important. Our reactions to all of this has to look different to the world. Do you agree or disagree? How can having peace within have an affect on our reaction and then our witness to the world?

Read Romans 14:19; 2 Corinthians 13:11

Why is it important to be at peace with others?

How can you be at peace with someone who you disagree with or even someone who has offended you?

Read Romans 15:13

Being filled with the Holy Spirit will lead us to peace.

Works:

Read Romans 15:13 this week as many times as needed and ask God to fill you with peace in all circumstances so that you overflow His love to others. Make peace be a fruit of the spirit this week that you consciously choose by the power of the Holy Spirit
