

## COMMUNITY GROUP OUTLINE—THE WEEK OF 6/11/17

### San Marcos Campus

#### “The Sinful Nature”

#### WELCOME

- Today, we are going to talk about sin. It will be a very personal time of introspection. Begin by writing one sin down on the card or paper you were given with which you have a habitual problem.
- What is one strategy you are implementing to deal with that sin?

#### WORSHIP

Everyone should be seated in a circle and begin a season of prayer. Encourage each person to pray for spiritual strength and growth for the person on their right.

#### WORD

- How did it go obeying last week’s passage in the specific way that you felt led?
- Did you share the story or message of the passage with anyone?

Read the following passages out loud together a few times, perhaps from two or three different translations, discussing what stands out to people and its main point:

**Romans 7:18, Romans 7:25, Galatians 2:20, 2 Corinthians 5:17**

Ask group members to retell or restate the message of the passage in their own words. (If you have a large group, you break down into groups of three or four to do this.)

Now, each person says how they feel they are to **obey** it. The response that each person chooses is totally up to them.

Then each person says who they might share it with—perhaps a friend, family member, or coworker that needs the encouragement that the story or passage offers. (This is easy to do because they practiced retelling the passage to one another.)

#### WORKS

Close by praying for one another.
