

COMMUNITY GROUP OUTLINE—THE WEEK OF 6/18/17

Wimberley Campus

“The Sinful Nature”

WELCOME

- Today, we are going to talk about sin. It will be a very personal time of introspection. Begin by writing one sin down on the card or paper you were given with which you have a habitual problem.
- What is one strategy you are implementing to deal with that sin?

WORSHIP

Everyone should be seated in a circle and begin a season of prayer. Encourage each person to pray for spiritual strength and growth for the person on their right.

WORD

- How did it go obeying last week’s passage in the specific way that you felt led?
- Did you share the story or message of the passage with anyone?

Read the following passages out loud together a few times, perhaps from two or three different translations, discussing what stands out to people and its main point:

Romans 7:18, Romans 7:25, Galatians 2:20, 2 Corinthians 5:17

Ask group members to retell or restate the message of the passage in their own words. (If you have a large group, you break down into groups of three or four to do this.)

Now, each person says how they feel they are to **obey** it. The response that each person chooses is totally up to them.

Then each person says who they might share it with—perhaps a friend, family member, or coworker that needs the encouragement that the story or passage offers. (This is easy to do because they practiced retelling the passage to one another.)

WORKS

Close by praying for one another.
