

**COMMUNITY GROUP OUTLINE—THE WEEK OF 7/15/18**  
**“Walking in the Word”**

**WELCOME**

Have you ever gotten completely lost? What happened? How did you find your way back?

**WORSHIP**

Read and dwell on *Psalms 61* as a group. Pray and give thanks for God’s love and faithfulness.

**WORD**

There were four points from the *Hebrews 5:11-14* passage encouraging us to grow in the Word:

1. Pay attention to God’s Word (read *Hebrews 2:1*)

Why do you think paying attention to the Bible’s teachings require effort?

How can we pay more attention to the Word to avoid drifting?

2. Teach God’s Word (read *2 Timothy 3:16-17*)

Who in your life can you share God’s teachings with? What challenges come with teaching others what we’re learning?

3. Study God’s Word (read *Joshua 1:8*)

How do you study the Bible? (methods, tools, habits, etc) What’s the hardest part about studying God’s Word instead of simply reading it?

*Hebrews 5:12-14* introduces this concept of milk and solid food. Why is a diet of pure milk attractive? Why is a diet of solid food necessary to grow spiritually?

4. Apply God’s Word (read *James 1:22-25*)

When was a time you changed your attitude or actions based on reading God’s Word?

**WORKS**

Of these four points, which is the most difficult for you? How can you grow in at least one of these points this week? Encourage and pray for one another to apply God’s truth daily.
