

COMMUNITY GROUP OUTLINE
THE WEEK OF 10/14/18
“Marks of the Mature” (Part One)

WELCOME

1. How do you unwind?
2. What type of vacation do you prefer?

WORSHIP

Read *Psalm 32* as a prayer to God. Acknowledge God’s Spirit.

WORD

1. This message is based on the book of James. Granted, my suggestions for this WORD section might seem a little different for you. However, I believe it will work quite well. Here’s what I suggest:

Read out loud the book of *James*. As you may know, there are five chapters. After each chapter, stop and ask: What did you notice? What is the Holy Spirit speaking to you? Is there anything that you don’t understand? Give your CG members time to dialogue.

The purpose of this exercise is simple. It will give your group members an overview of the book of James.

2. What do you think of the five marks of the mature that were taught during the message?

WORKS

Ask each group member to cite at least one mark of maturity that they would like to receive prayer. Pray for each other in the large group or in groups of two to three.
