Week 2 - Self-Worth

1 Peter 2:9-10

Welcome:

What comes to mind when you hear the words, SELF-WORTH?

Worship:

Ask God to show you who you are in Christ. Write down what He tells you. If comfortable, share a few with your group. _____

Word:

- Reread: Ephesians 1:3-16

What are some of the words that He tells us who we are in Him/our Self-Worth?

- Read: Psalm 139:13-15

How does it make you feel to know that God created you and that He knew exactly who you would be and how you would look?

- Read: Romans 8:14-17

After reading that we are children of God, heirs of God, and co-heirs with Christ, shouldn't our self-worth be pretty high? How does knowing this about yourself make you feel? Can you remind yourself of that when the enemy has self-doubt creep in?

Works:

Write today's Scriptures on each of your index cards. Then look and pray for an opportunity to share one of these scriptures with someone this week.

Romans: 8:14-17; Psalm 139:13-15 1; Peter 2: 9-10
